There are no words
 To express
 Or pass the thoughts
 we feel
 So very deep
 So in dedication
 of only words
 and only simple thoughts
 felt so deep
 And so sincere
 This Dedication

Listen . . .
 To the wind hurriedly rushing
 Through the empty halls of time,
 Four years gone—
 Echoing past experience.
 See . . .
 The rigidness of scarred forest-green
 lockers,
 Protruding bare into the narrow hallway
 Feel . . .
 The soft caress of the morning sun,
 Easing the harshness of past exams,
 Defeated C.I.F. football games
 and
 barely passing second year Spanish.
 Time . . .
 Is biting at your heels and
 teasing you onto unfamiliar plains
 Four years gone—
 Echoing past experience.
 look back
 And smile.

OUTSTANDING SENIOR GIRL

You might see her yelling at the top of her voice at a football game, or spiking a volleyball in a GAA tournament, Cindy Davis is outstanding Senior Girl.

Cindy became J.V. cheerleader as a freshman and cheered her way to becoming varsity cheerleader during both her junior and senior years.

As a senior she exploded, capturing both the DAR good citizenship award, and the American Legion award.

OUTSTANDING SENIOR BOY

At first glance one wonders if Rod Smith does anything besides practice basketball. As if being top scorer in Bronco basketball history isn't enough, Rod has involved himself in just about everything else possible.

Throughout his high school days, he's been truly an outstanding teenager. Rod has been active in Rep. Council, and as a Senior he presided over the Student Council as Student Body Vice President.

It was Rod who started the movement to rewrite the school Constitution, and it was Rod who went to Boy's State last year. And . . . as if this weren't enough, Rod traveled to Washington, D.C. to attend the "Presidential Classroom."

Just another basketball player? Hardly. He's truly this year's outstanding Senior.

JUNIOR - SENIOR BASKETBALL GAME

Seniors reigned victorious at their annual "Fight to the Finish" with the juniors. Both teams played hard and well, the seniors finally managing to take it, 66-54.

But the friendly atmosphere and the "just-for-fun" rivalry were the real stars of the game. For when the last buzzer sounded, and the game was done, the senior class and the junior class were Broncos once again.

Top: Butch Cross shoots for two points.
Bottom: Rod Smith, high-point man of the evening—38 pts.

Dan Boyd shoots a ten-footer while Alan Summers attempts to knock it down.

Two of the lively Senior Cheerleaders, Ken Abbott and Mike Connolly.

John Lewis—Junior, goes for a pass from Andy Clark.
Bottom: Rod Smith and Gary Gillespie mirror Senior-Junior rivalry.

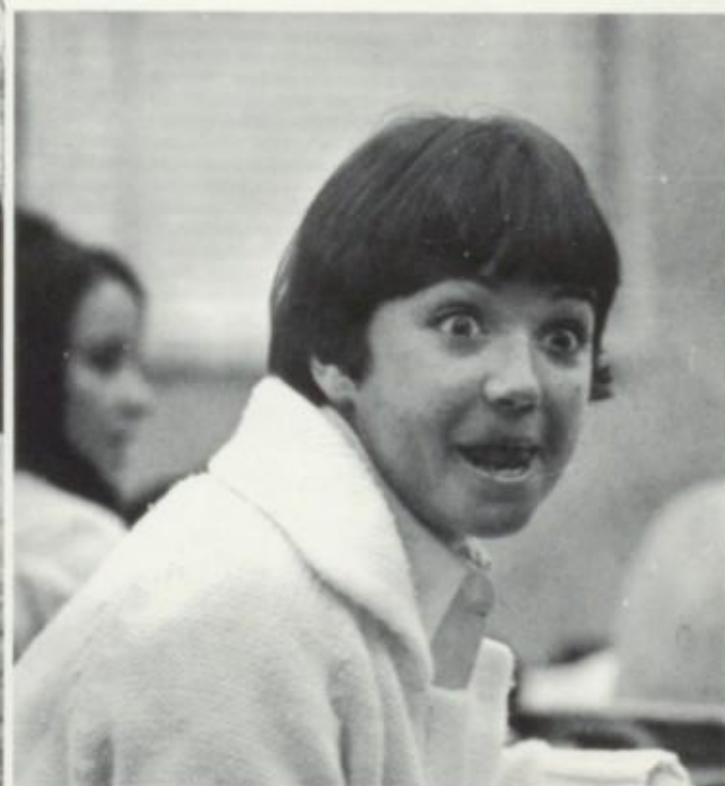

The great Junior spirit!

Buddies forever.

three years ago
 when we opened
 these brown
 heavy doors
 we were expectant but afraid
 we smiled but uncertainly
 the faces of the people were strange
 and sometimes cold.
 time passed
 and we started to belong
 lockers slammed
 bells rang
 people ran
 teachers yelled and eyes smiled
 we laughed at rallies
 until our sides ached
 and our eyes cried
 we danced in the gym
 until our toes were broken
 and our hair was straggling
 we have
 ridden buses
 slept in classes
 worked algebra problems
 studied for tests
 talked to friends
 and wondered at the beauty
 of the mountains and
 we have come to know the faces
 and the walls.
 and we have come to love them
 we have one more year
 to work and study and laugh
 and dance and sing and cry
 before we leave these walls
 and when we do leave
 we will be happy
 yet strangely sad
 and we will always remember.

Say it again just a little bit louder.

Freshman Class Princess, Bonnie Ray, at the Homecoming game.

FRESHMEN

I'd watch the little ripples go swirling
down to sea

And speculate and marvel on the great man
I would be;

And wonder what the big world held . . .
the world awaiting me . . .

The world of silvery dream-dust—the world
I couldn't see.

And then I wish the grimy shade of what
I am today

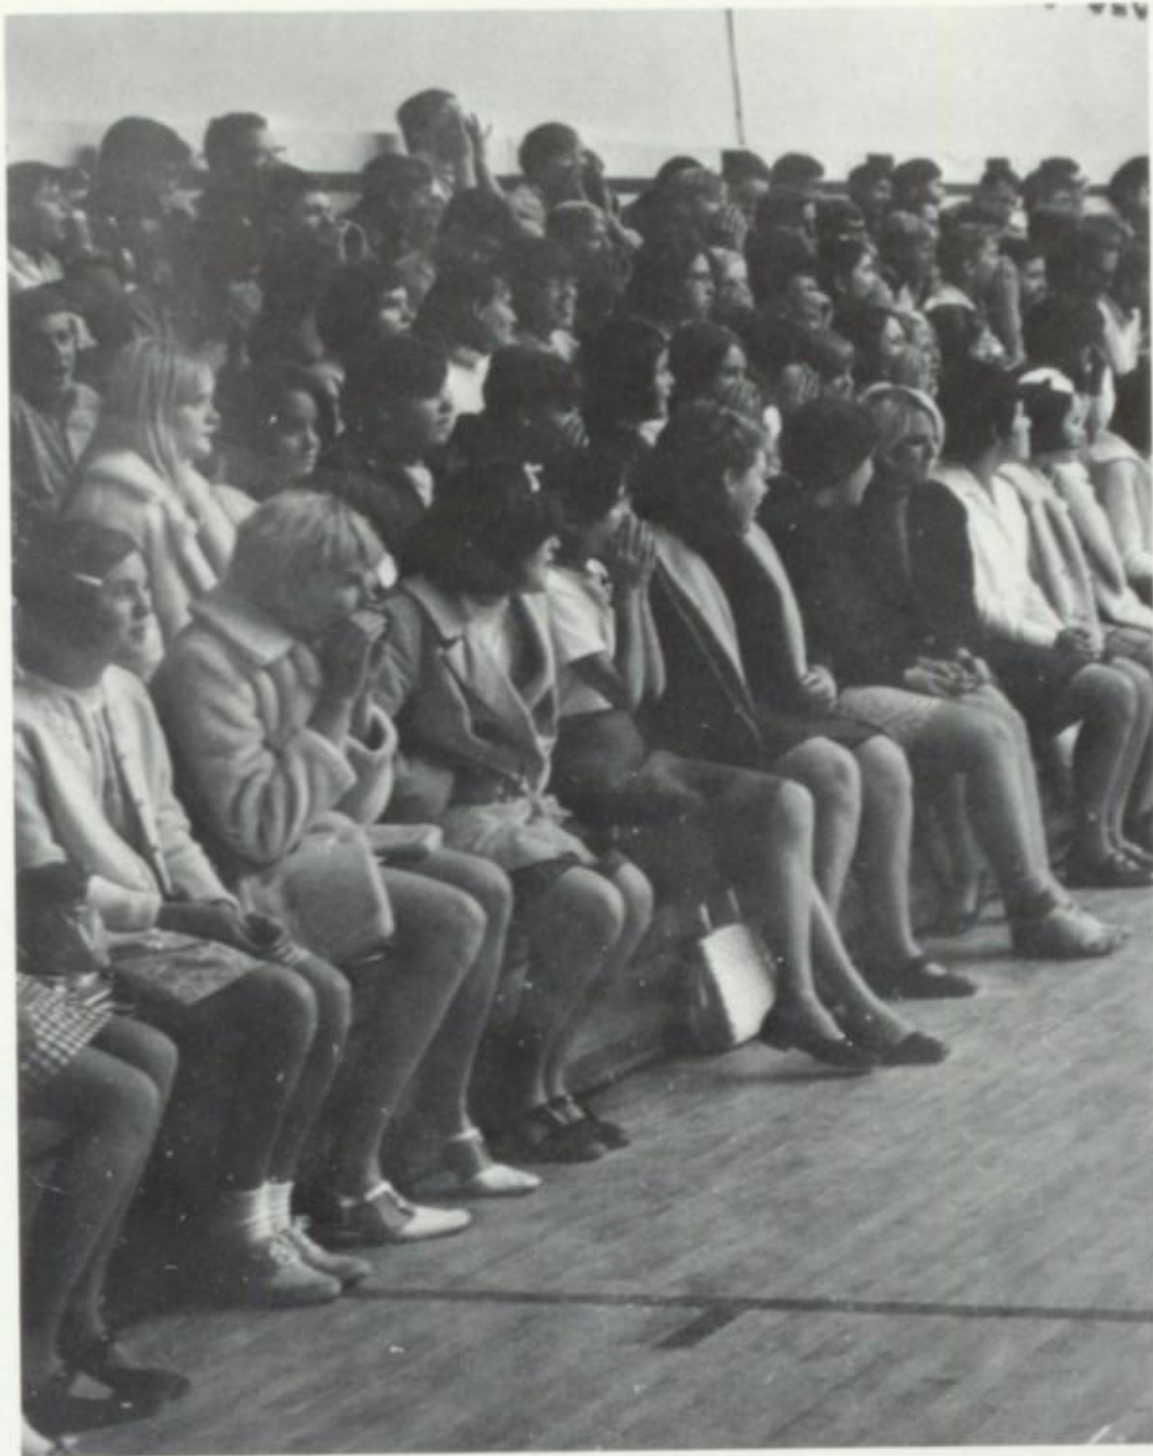

Could steal beside the dreaming boy and
watch him as he lay,

And see the velvet star shine, the clear,
untarnished eyes . . .

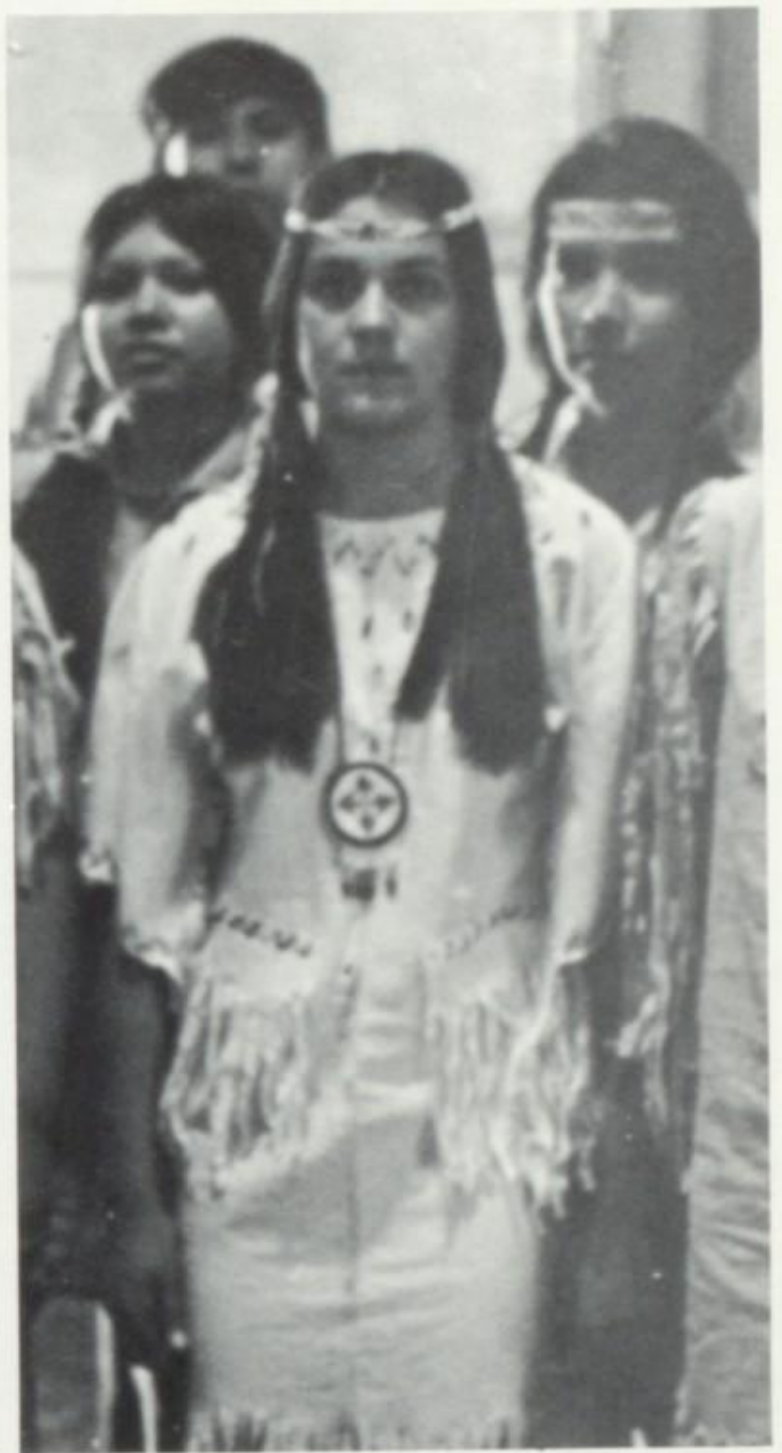

The eyes that couldn't see the world . . .
that only saw the skies.

The football year started with an exceptional number of talented players backed up by overwhelming spirit provided by the student body.

Every game was one not to be missed. None were easy and we should salute Coach Schoitz, Coach Spector, and most of all the entire offensive and defensive units, for their determination and their perseverance.

As the year progressed, the list of injuries compiled by the Bronco team mounted so rapidly that it seemed each week a new backfield would have to be formed. Although we lacked the expected strength in the running members, the units were undoubtedly some of the best players in the league. This was substantiated by the fact that Bob Lowden, Pat Wagner, and Tom Peters were presented C.I.F. awards.

Lowden puts an end to a long Tehachapi gain.

Tallon intercepts and returns to halt a Boron drive.

Sullivan on a Q.B. keep, sweeps left end for a sizable gain.

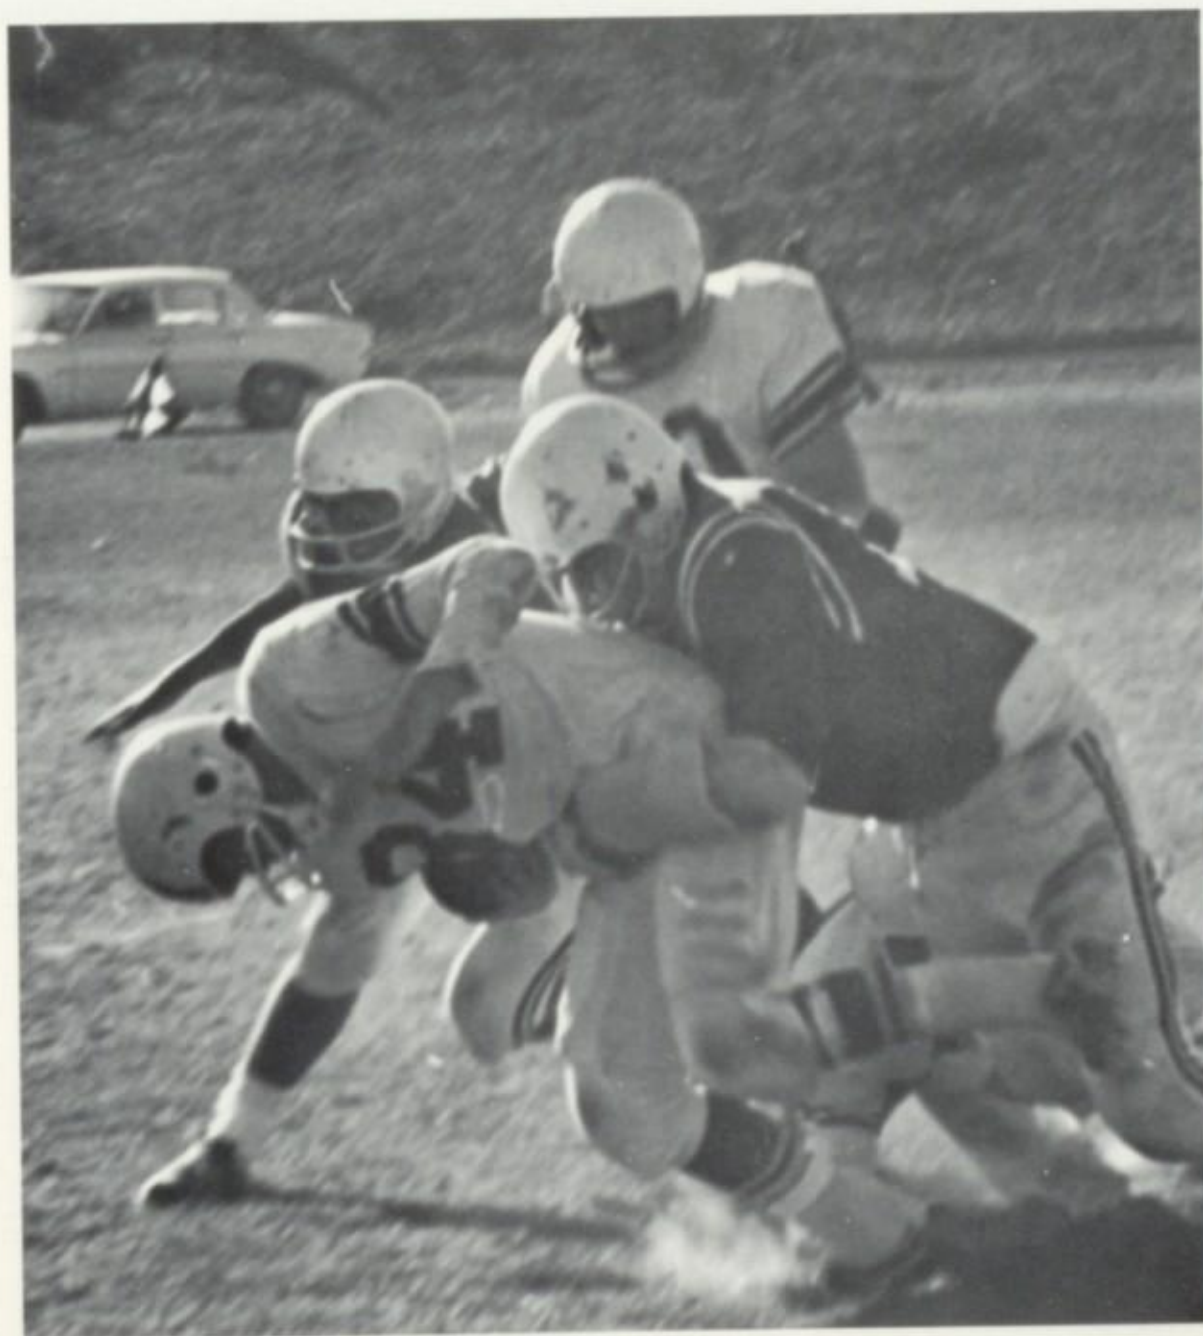

Lindell races Boron defender for the first down, while Avita and Connolly keep the other opposition under control.

Connolly getting off a punt, while Avitia, Summers, Lester and Wagner provide protection.

The buzzer sounds our 1968 Homecoming victory over Boron.

Wright is pulled down by a Tehachapi man while Sullivan offers help.

Wright, with opposition out of the way, heads for the Tehachapi goal.

Bishop Broncos in Action.

Muth, dodging opposition as Avitia clears a path.

J. V.

Coaches Campbell and Thayer led another J.V. team to a victorious season. Among the undefeated J.V. champs were the three captains: Pedro, Milovich, and Wells. The squad was made up of many valuable players both in the defensive and offensive units. The J.V.'s were consistently tough from the first league game to the final game at the end of the season. Coach Campbell felt that this year's JV team developed into a very hard-working group of boys, a Bronco team of which the Student Body can be proud. Congratulations for a great job, JV's.

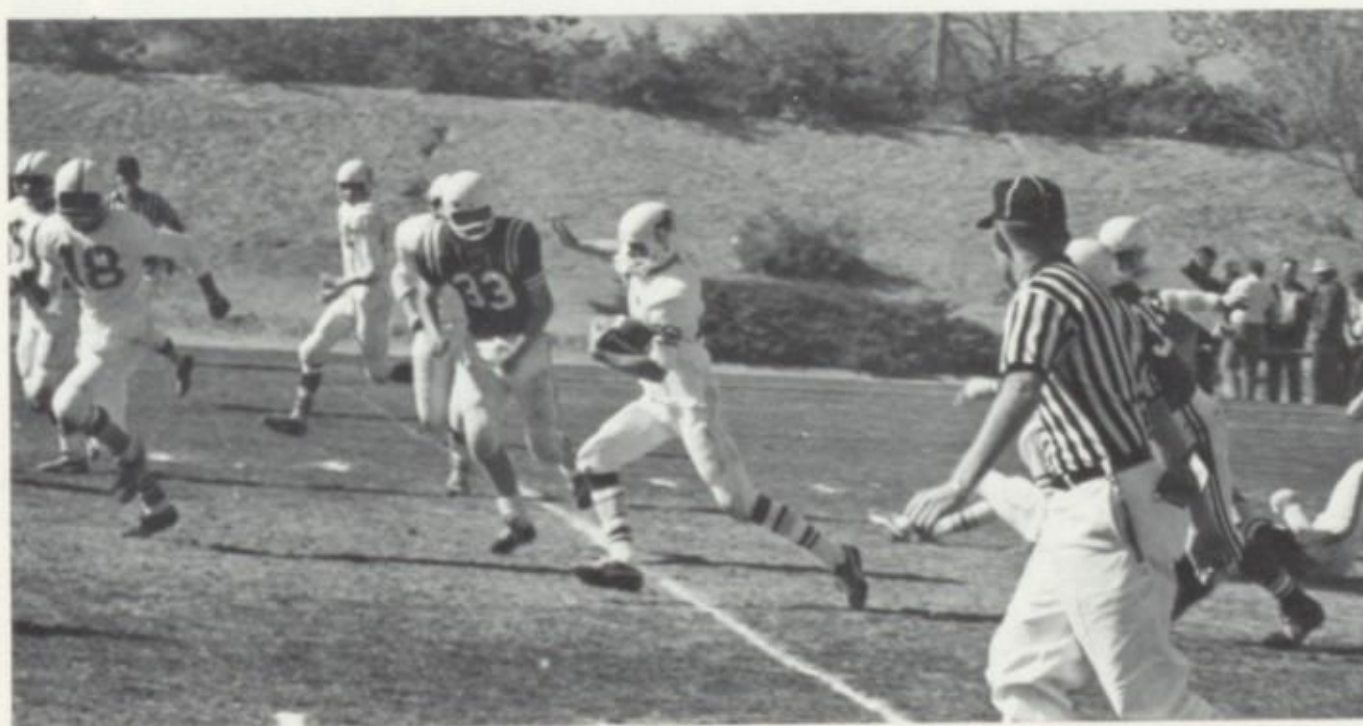

Campbell briefs quarterback Pedro.

Offensive unit: squatting are B. Patterson, G. Strachen, G. Bardonex, I. Strachen, P. Soper, B. Plank, F. Tormohlen. Standing are: D. Schneider, J. Wells, F. Pedro, Mike Goff.

VARSITY BASKETBALL

The Bishop Bronco's finished the 1969 season with 13 wins and 12 losses record. But this record does not reflect the hard work and effort the team put into each game.

We had Rod Smith, (averaging 26 points per game) the Desert-Inyo League's second highest scorer as well as Dan Boyd, the top DIL rebounder (averaging 17 rebounds per game) in our ranks. Butch Cross and Gary Gillespie were valuable assistants. Rod Smith also 8 times broke the all time high scorers record at Bishop Union High School.

*Sandy,
I really like and think you

someday, good luck
your attempts.
richly bless you.

"BEE" BASKETBALL

This year the "Bee's" made a startling show by winding up the season grabbing the D.I.L. Championship with a total of 13 wins and no losses. First year coach Ken Haye, worked his team hard every day and all their hard work really paid off! Brent Patterson held high point man out of all the J.V.'s in the league. He was also leading rebounder on the team. Other leading team scorers were Ed Harry, Frank Pedro, and Dennis Smith. Thanks "Bee's" for a title so well-earned.

CEE BASKETBALL

This year Ken Tanksley, the new Vice-principal, coached the Cee's in a season of rugged action and tough competition. Ted Roberts, Chuck Foreman, Don Galloway, Bob St. Louis, Gregg Newcomb and Tye Hafner led the team in its first game of the season December 3, against Lee Vinings Junior Varsity. Even though they faced many defeats at the opening of the season, Cee spirit remained high leading them to several late season victories.

TRACK

Bishops A, B, and C track squads took top honors in a recent four-way meet with Boron, Rosemond, and Kern Valley. Although the Broncos hadn't competed with Paraclete or Tehachapi, at press time, we feel sure that the quality of league competition will be excellent.

There was stiff competition in the 100, 220, and 440 yard races this year. Boron was our toughest rival for the D.I.L. championship.

CROSS COUNTRY

This year's cross-country team was larger and stronger than last years. We had plenty of runners to compete in both the junior varsity as well as the varsity races.

Bronco runners conquered in four matches. The first two contests were with Paraclete and the remaining matches were with Burroughs.

The initial competition between Bishop and Paraclete was a close call. We defeated them by only 4 points. In the second meeting with Paraclete we smashed them by fifteen points. We lost to Burroughs twice.

Keith Burrows established a new 2 mile course record this season with a time of 10 minutes 53 seconds. The previous record held by Ted Gardner was 11 minutes 29 seconds.

BASEBALL

Bronco Varsity Baseball's coach, Sidebottom, said, "I hope the diamond will be playable by Easter," as he and his team aided by Student Body members scooped snow and mud off the B. U. H. S. Baseball field. The snow forced the team to hold training indoors so the Broncos went to their first game with virtually no field practice. In spite of this, our team beat Boron, their first opponents, 11-4.

Coach Sidebottom expressed optimism as he looked at the season "I feel this will be a successful season even if we don't make CIF. The boys' spirit and intensity will make it good."

WRESTLING

This was an organizational year for the wrestling team. The team found it difficult competing against the larger and more experienced wrestling clubs.

The prospects for wrestling at B.U.H.S look very bright to coach Jack Reeder. Miguel Avitia and Jerry Simcox who have won all their matches are underclassmen and will probably return to win next year.

STUDENT GOVERNMENT

This year's student council, under the able leadership of President David Hook, made several innovations in the school complex. Among the achievements of the Student Council were; opening of the Bronco Bar, helping to send rooter buses, and loaning of necessary funds to various clubs. The Student Council loaned money to the Letterman's Club for blazers, to the Radio Club for an antennae, to the El Pinon for the yearbook, and to the Drama Department for their plays. The Student Council also paid for films of some football and basketball games.

This year all students including the ones in the California Scholarship Federation have found that Scholastic competition is tougher and good grades harder to get. But the grades are not the ultimate goal of the C.S.F., it is to encourage students to achieve success in life. It's toward this final goal that C.S.F. attempts to guide its members. It may be just one step on a long ladder, but it is a solid one.

Bronco Band at concert

Mr. Cheesemen at work.

BAND

In September of 1968, Bishop High encountered its new conductor, Mr. Kenneth Cheeseman, who was bound and determined to give new perspective to the music program. Immediately the band was required to be in attendance at all football games; and when the basketball season rolled around, a special music group was formed to add spirit to home games.

On February 5, the Bronco Concert Band presented the school and public with its finest performance in four years. Later on in the year the Bronco Band presented a Spring Concert which compared in quality to their previous performance.

During the Band Banquet, the accomplishments of the Music Program were recognized. Mr. Cheeseman should be thanked for his new music program.

We salute you, Mr. Kenneth Cheeseman.

For the first time in several years the Future Homemakers of America has been organized into an active club. This year the girls under the supervision of Mrs. Scott and Mrs. Hedgecock have performed civic duties for the community using homemaking skills.

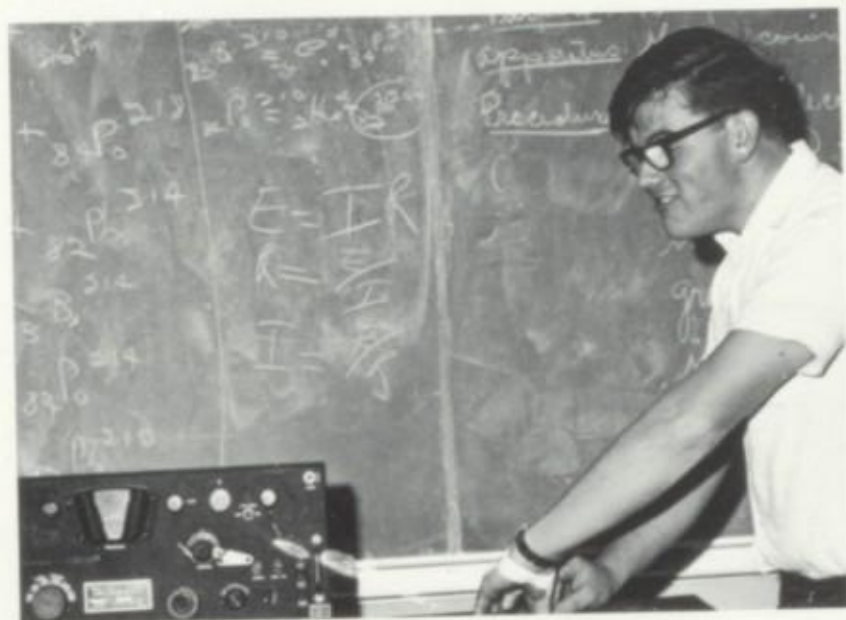

During Christmas vacation they sold fudge, cookies, candy, flowers, wreaths, and copies of a book, "Christmas is Christ's Birthday" written by Mrs. Scott. The profits went toward presents for the people in the Bishop Rest Home. FHA is an organization that both Bishop High and the community of Bishop can be proud to remember.

RADIO CLUB

WA6RAZ, military A and Radio Services. Want to talk to a serviceman in Vietnam? The Radio Club under the supervision of Mr. Spect accomplished this feat. Those radio enthusiasts hanging from antennae around the school and talking via radio overseas have made this new organization a success. The Radio Club encountered numerous problems but met them head on with determination and drive.

F. F. A.

"The times they are a changing," sang Bob Dylan and they did. For the first time in the history of Bishop High, FFA has declared themselves not prejudiced toward girls. Together, male and female FFA members made this year a successful one to be remembered by all at BUHS. They sponsored the traditional 'Sadie Hawkins' dance in the girls gym and many of the club members entered their livestock in the judging at the Tri County Fair. Once again thanks should be given to "OZ" Nelson for his fine leadership as an advisor.

CHESS

The chess board or better known as checker board represents the world and the chessmen represent the phenomena of the universe. Sounds like a social science class, but in actuality is a chess club.

To many the game of chess is thought of as the game of the universe while at B.U.H.S. it is better known as "Checkmate" or "Got ya there." Chess Club enthusiasts meet on Tuesday, Wednesday, and Thursday, this year. By competing amongst themselves, they learned to master the universe and chess.

Le Club Francaise

Avec nouveau enthousiasme, the French Club was reorganized this year under the direction of "Monsieur Richards".

The club sponsored various projects to raise a scholarship for a deserving senior—one was a pen-pals "de tout le monde" to students, helping to bridge what could be called the "inter-nation gap."

Even though le Club Française may never take a field trip to France, they still had beaucoup de amusement, and a better understanding of France et le française.

The Spanish Club this year set a goal towards making enough money to give a scholarship to some lucky senior. They held a bake sale and toward the end of the year sold pinatas. All grade levels were included in this year's organization. The only set rule of the Spanish Club was: No habla ingles en el sesion de espanol!

The Lettermen's Club is an athletic service organization.

This year the foremost goal of the club was to support and back the different athletic events. They sponsored the Donkey Basketball game which involved the faculty of the elementary school vs the faculty of the High School. The money made went toward athletic equipment, other activities of the Lettermen's Club was the handing out of programs at home games and serving as the "chain-gang" during the football season. The Lettermen's Club has done a fine job of serving B.U.H.S., a job we shall all remember.

GIRLS LEAGUE

Girl's League is people—not only those within the organization, but those outside it.

The girls do the usual school spirit projects, like selling Bronco Buttons. And there are the just for-fun things, like the annual "Crazy Legs" dance. But those are only the things you hear about.

Most have forgotten the Christmas cookies Girl's League

made for the old folks at the Big Pine and Bishop Rest Homes. Many never know about all the cards, letters and gifts the members sent to servicemen overseas. But the old folks and the servicemen know it. And that's all that matters to the Girls' League, because these are the girls that give and give . . . and never give up.

DRILL TEAM

The drill team wearing blue uniforms, white cowboy hats and white gloves brought color to many home game half times. This is the third year for the drill team to perform at BUHS. They provided lively entertainment at the Homecoming Game and marched in several Parades. Special recognition should be given to the drill teams' new advisor Mildred Lanyon.

THE SERVICE CLUB at their best

SERVICE CLUB

The Service Club this year did a fine job of serving the public. From making buttered popcorn to filling cups with softdrinks they worked to meet the demands of their customers at home football and basketball games. They sold tickets as well as food at all sports events.

The Service Club is an organization too often taken for granted by the student body. They contributed their services to you and in return ask you to remember them as an important part of B.U.H.S.

MATHLETES

The definition of mathletes according to its members is "mass confusion"

On the second Wednesday of every month the team travels to one of fourteen schools in the Desert Inyo League. There are five students of a team and each member works five mathematical problems. Besides the five team members, other students may participate as alternates working the problems for practice. Although the team which does the actual competing consists mainly of seniors; freshmen, sophomores and juniors are there to prepare themselves for future years and future competition.

TENNIS

Tennis this year started with a good snow shoveling workout. The courts were covered with 4" of snow plus 4" of ice. After two weeks of manual labor shoveling snow the first match was held at Burroughs. The five man team scored an easy victory.

We wish to extend our thoughts of admiration to the Tennis Team for their tremendous fortitude and stamina in making this a fulfilling year.

G. A. A.

Other than the loud cries of Freshmen being thrown in the showers and the snickers of the upperclassmen taking part, G.A.A. continued its usual sports activities.

G.A.A. membership was less than in previous years. This was not the prime concern of the girls though because they seemed to scream and laugh louder than ever before.

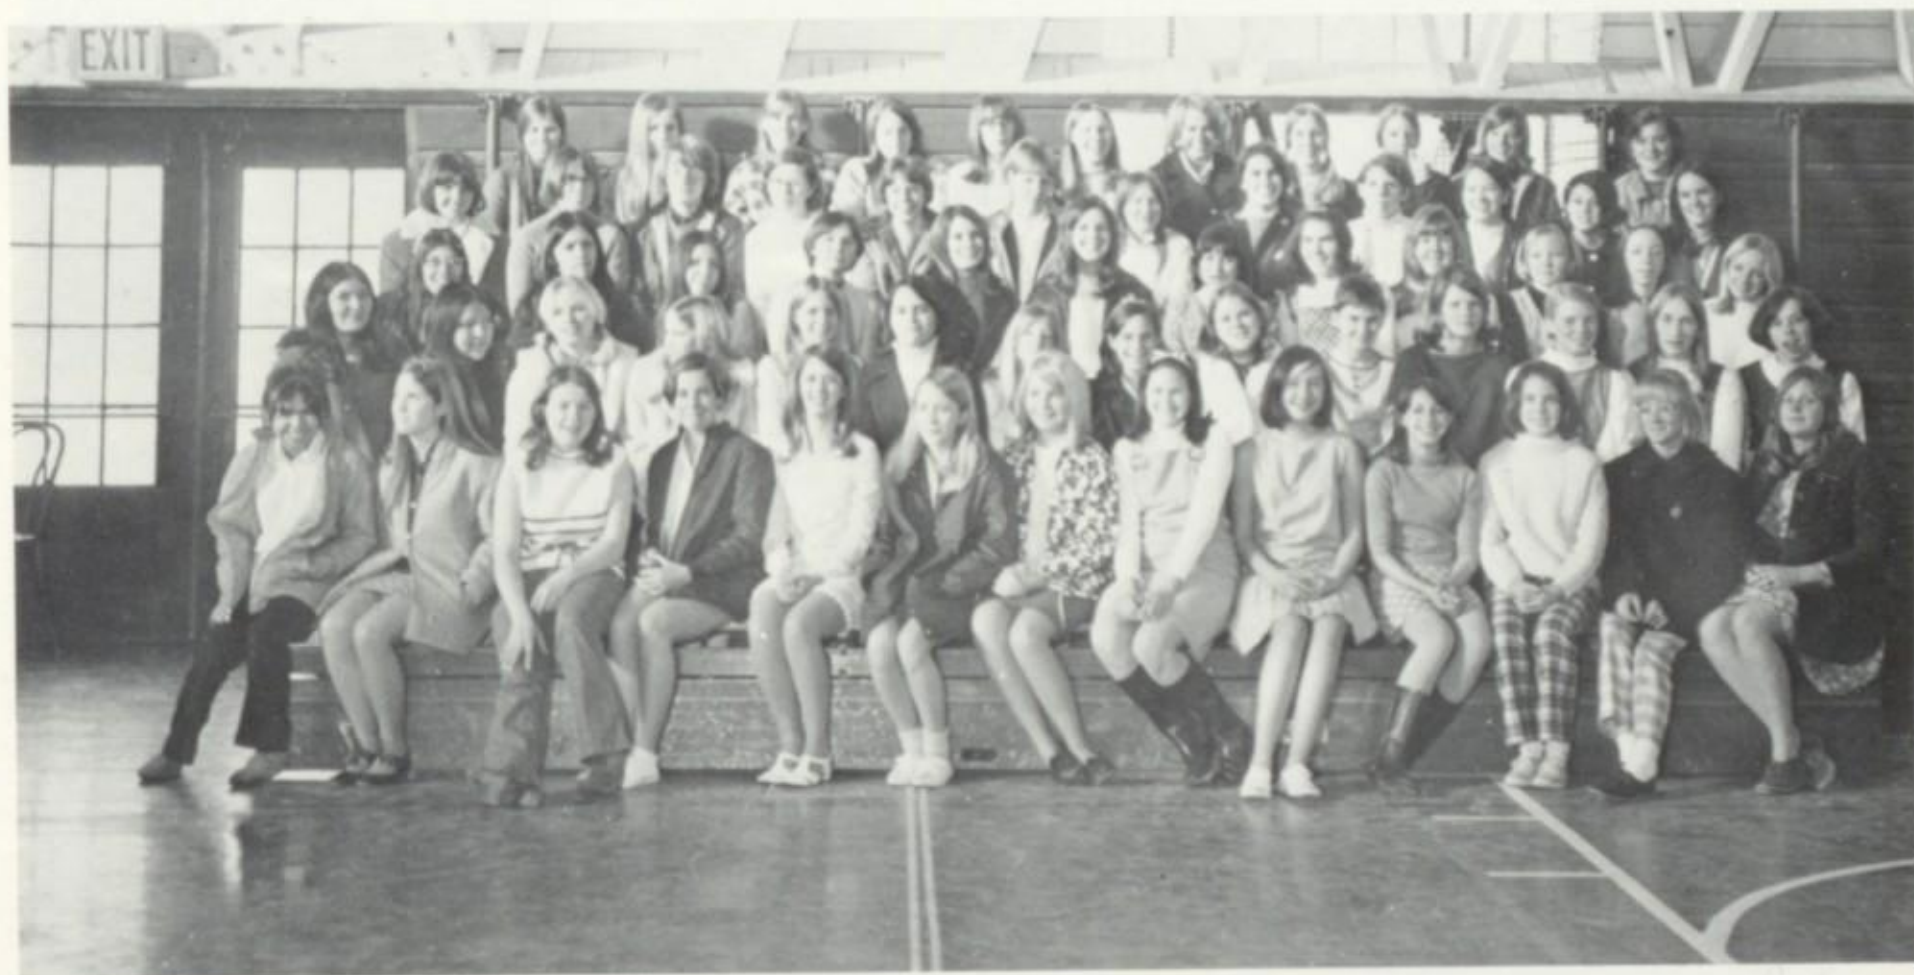

The touchdown weather fell true to form as in other years. The ground was frozen hard, the air was too cold to breathe, and girls were seen scattered all over the football field wearing what one might call Eskimo Suits just to keep warm.

Though the Seniors have found it hard to leap from their third place slot in the Volleyball and Touchdown tournaments, at press time they are looking for their first Basketball win over the Juniors since the eighth grade.

Through sorrow, cold and happy times we've all experienced together the feeling of excitement and fulfillment one can achieve in Girls Athletics.

JUNIOR GIRLS vs. SENIOR GIRLS

This year the Juniors brushed the Seniors 44-43. Akshuni (Juniors) and Toiyabes (Seniors) were in close competition all the way into the game's final moments. With 10 sec. to go the score was Seniors 43-Juniors 42, with the Seniors in possession of the ball. The Juniors gained control of the rebound and in the last instant, Jeanie Grevenkamp made the winning basket. Final score Akshuni-44, Toiyabes-43. A real heartbreaker for the Seniors. "Hardest game we ever played," said the Juniors. Yeah for the Junior girls!

G.A.A. vs. the Wed. night Volleyball teams.

Miss Shank,

I would like to thank you for all the help and guidance that you have given to me and to so many other girls in this school. Sports are very important for keeping physically fit. You have taught us our rules, helped us with certain sport techniques, and most of all, you have made us good sports. Whenever I'm playing a game, I always remember what you are always saying to the girls, "If you're going to get out there and play a game, play to win!"

You are not only a fine P.E. teacher, but also an excellent advisor for all the girls in G.A.A. I have learned so much from you, I know I could never forget **all** you have taught us. We are very grateful for all the inside and outside time that you have spent teaching us how to play sports the correct way.

Gratefully,

A student and G.A.A. member
P.S. We even won eight out of ten games Wed. night for you, against those big ladies and men!

Someone once said, "Too many cooks spoil the broth." But not even with 23 staff members, and some help from Journalism I, did they manage to spoil the Bronco Roundup, (better known to the staff as Excedrin headache #33).

Of course, with that over-abundance of talent and intestinal fortitude, deadlines are bound to be a mess. But out of the mess came a newspaper rated First Class by The National Scholastic Press Association. A few new ideas came out of it too, like the first Journalism Day to be held in the Owens Valley with delegates representing schools from the Desert Inyo League and nearby places in Nevada. And when the last typewriter key is punched, Mrs. Martinson mops her damp brow and says, "aw c'mon, you know it was really fun."

HOMECOMING NOVEMBER 2, 1968

Homecoming this year was launched by a parade down Main Street. Each class and organization was eligible to enter a float in the parade. The Junior Class with their float "Kick Off to Victory," won first place.

That night at the Sand Pits Bishop students and adults attended the Bon Fire rally. Spirit and unity boosted the Broncos to victory in Saturday's Homecoming Game with a winning score of 7-6 over Boron.

DRAMA

The provocative world of the theatre became poignantly alive this year with particularly exciting challenges offered by such renowned dramatists as Sophocles, Charles Dickens, Bernard Shaw. Respectively, "Antigone", "The Christmas Carol", "Arms and the Man".

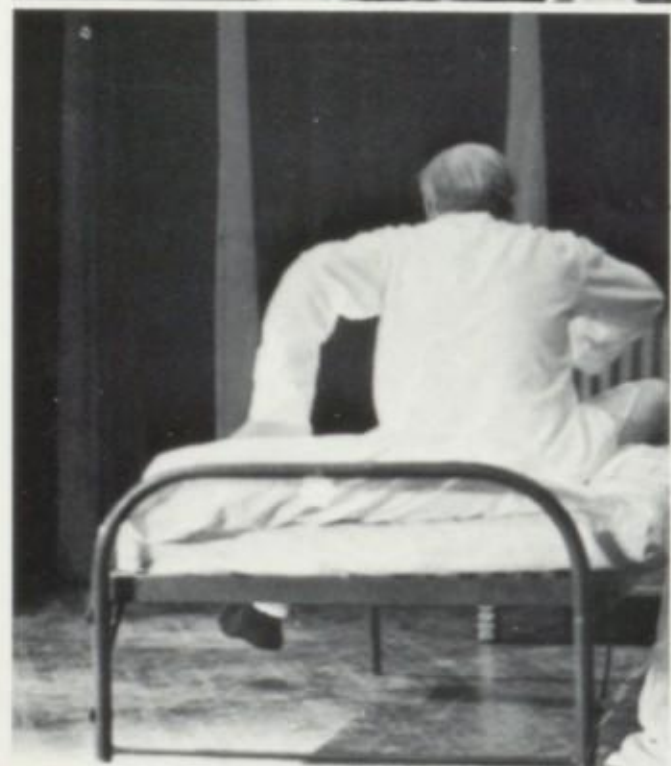

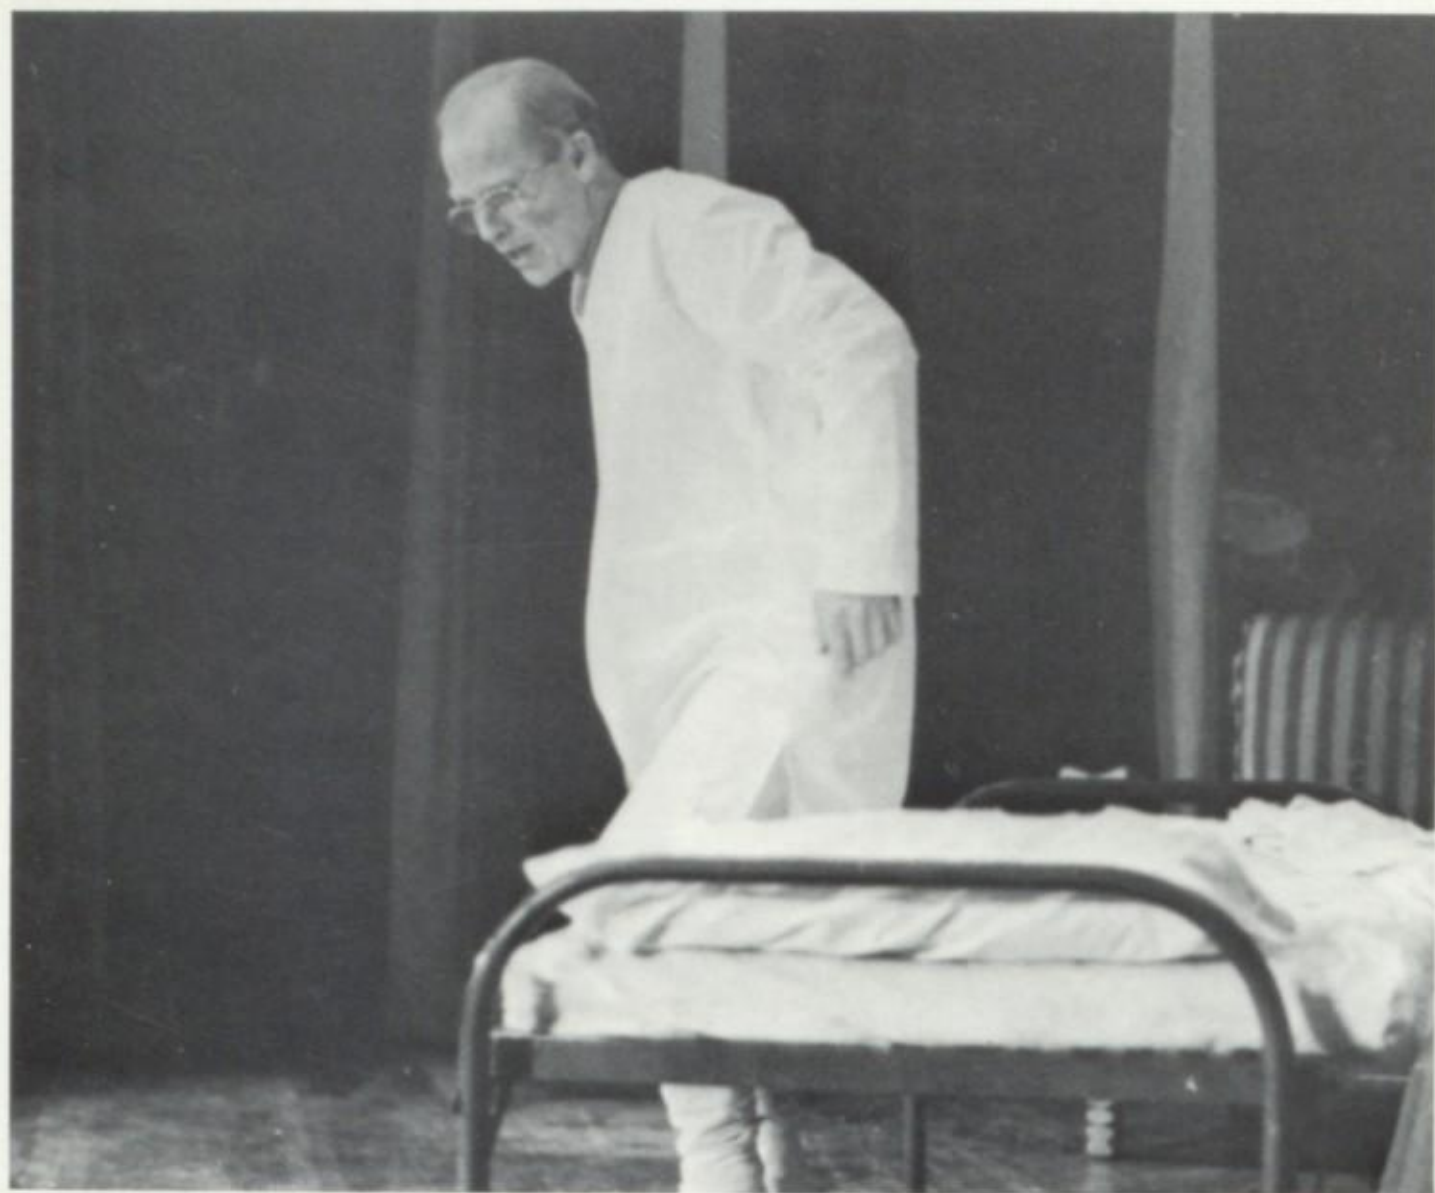

This year proved to be a time of interesting innovations in the high school theatre dept. in that a great deal of responsibility was relegated to student directors in the areas of acting and producing which included lighting, sound, stage managing, costuming and publicity. To these directors, goes a great deal of admiration and thanks from all who proved themselves in competency, dedication, and a tremendous desire to improve in the many, many hours of rehearsal, who are aware of their activity.

The heart of the theatre, no less acknowledgement must be paid the performers, a group of striking personalities who provide an intense dedication to self-improvement in the difficult and nebulous, yet captivating field of acting.

Mrs. Alfreda Cockerl for her years of continual service at the Northern Inyo Hospital and for her help in the opening of our new hospital.

Mr. Benson for the many hours he worked with the drama department and his help with the presentation of fine plays.

Mr. Tanksly who has worked so hard just making our school a better place and who did a great job coaching our hard-working "C" basketball team.

Ken Abbot for his help in organizing those great fairgrounds dances and his outstanding work with the drama department.

Ward Anderson, the director of the Indian Study Center at the Community Building. He is aided by the Title III ESEA Funds and members of the community.

Mr. Thayer who has done so very much for the Indians of BUHS and for the entire Indian community.

Dave McCoy for his help with the racing team and making our ski school programs possible. Also for the generous scholarship he gives each year to a deserving Senior.

We would like to recognize the efforts that the Indian Community has put forth in trying to make a better life for us all by promoting understanding among the individuals of Bishop.
